

Haiti Report

We met 5/4. A copier was purchased by Jerry Temeyer (in memory of Kathleen) & was shipped + 100# school supplies to Nashville, Tn. where it is now in a sea container on its way to Haiti. Father Dorléan will be there to pick it up. (We could send up to 150# & the copier weighed 50#)

He is VERY appreciative of this gift:

Hello Deacon Jerry,

I received the news that we wait so long to come next to the photocopier. On behalf of the community of Anse Rouge and the names of our poorest children in our five schools, I thank you warmly Deacon Jerry for sending this material so important and valuable in the field of education. I promise you I will celebrate a Mass in honor of your wife on Saturday in recognition and thanks. Once the copier arrives in Anse Rouge I'll let you know. So let me take this opportunity so favorable to thank Father Hernandez and the entire community of the faithful of Iowa who is with us spiritually and economically. May the Risen Christ fill you with all the graces which requires your life on earth.

Always with Christ,

Father Dorléan

We wired \$15,000. last Thursday 5/6/10. (\$10,000 quarterly is our norm, but since the earthquake we have been able to add \$5,000 extra to assist (Feb. 11th & May 6th) for extras needing food & school. **Thank You Friends!**

Good evening my friends of Iowa:

I'm back this afternoon, I was on a pastoral visit to a chapel in the hills of Terre des Negroes. Thank you very much for this help Hernandez father of \$15,000 US offered as support for the parish and our children of Anse Rouge. I will use the money during the months of May, June and July for our children and pay teachers. I was really in need because life is becoming increasingly difficult in the country.

Regarding youth and some parents came from Port-au-Prince because of the earthquake I will offer some food in the canteen and raise our children in our schools. May the Risen Christ bless you and keep you in peace and confidence.

Always with Christ,

Father Dorléan

Medical Mission trip has been rescheduled for July 13-20 Tickets are bought, again☺

(Each person pays for their own ticket/immunizations/taxes/Passport etc)

The 9 going are: Dr. Mike, Pam & Anne Whitters; & Monica Staudt from St. John; Monica & Ron Seimens, & Jerry Temeyer from Sacred Heart; George Van den Heuvel & Joel Wilhelm from St. Francis Xavier. Another team will go Jan. or Feb. 2011. Please pray for our group. We will be collecting medical supplies as the journey nears (Tylenol/Over the counter meds/Vitamins for all ages/Eyeglasses etc) Financial support is also accepted to help with translators/water bottles & food while there & the extra prescription medicines that we will take. Please designate "Haiti Mission Trip."

St. John 8th Grade RE class had a successful Bake Sale for Haiti-\$205. Neon bouncy balls (4 Gross) mini inflatable beach balls, & numerous stickers were ordered from Oriental Trading. The remaining \$53.00 will be used toward extra medicine needed for the upcoming Mission Trip. Great Job!!

May 1st, KC's (Clarion & EG) had a maid-rite supper for Haiti @ SH--\$530.00
Thank You to all for your support!!

Respectfully submitted by Monica & Cluster Haiti Committee.
